Dr Sanjay Kumar Jha, Chairman & Managing Director, MIDHANI talks about Covid-19 impact on MIDHANI's Order Mix

How was Midhani Complably affected by the new economic stimulus package issued by the Central Government ?

'Finance Minister's economic package will boost our order book. The stimulus package should encourage indigenization, local mfg of defence equipment. India imports a lot of specialized steels but the market for specialized steels in volume terms is very small in India. Indians cos are not coming forward to make specialized steels because of economic scales' cost. The new ackage, however, is adding up to our order mix and will definitely boost our sales' says, Sanjay Kumar Jha, CMD Mishra Dhatu Nigam Limited.

Listen in.
