Yes. The Partner needs to enter into an agreement with MTNL in the format specified in the Policy. The signatory must be the promoter of the entity itself, in case the entity is a company, then, a certified true copy of Board Resolution needs to be enclosed with the agreement, wherein the official has been authorized to sign the agreement on behalf of the company. The copy of Revenue share policy signed at each page by the partner should be attached with agreement.

9. For how long I can provide service under FTTH revenue share policy?

Agreement shall remain in force initially for a period of Ten (10) years on non-exclusive basis from the date of award of work and can be extended further with mutual consent. This agreement shall be valid for its full term unless revoked as per the clauses and mechanism defined in this Agreement.

10. Is it necessary to use only GPON/GEAPON based FTTH technology to provide internet under 'FTTH Revenue share Policy' or can I choose other technologies as well to provide Broadband internet service?

Partner is free to deploy any technology in Access Network compatible to interface with MTNL Backbone Network to provide Broadband internet service under this policy like GEAPON, GPON, LAN Switches, ADSL, VDSL, Wi-Fi etc.

11. What is the revenue I shall earn under this policy?

The partner shall get revenue share as per details below-

Partner Type	Name of Services	Area of operations	No. of Billed Connection	Revenue share offered to Partner	
A	MTNL FTTX services like Broadband, Voice Telephony, VAS etc., where access network will be installed and maintained by partner.	Exchange / RSU Level	Upto 200	25 %	
			201-500	28 %	
			501-1000	31 %	
			1001 - 1500	34 %	
			>1500	36%	
		Fibre will be made available at nearest MTNL exchange or at any point on existing OFC route wherever feasible and picking up this fibre will be the responsibility of revenue share partner.	GM level	Upto 1000	25 %
				1001- 3000	29 %
				3001- 9000	33 %
				9001 -15000	36 %
				>15000	38 %
	PAN Delhi / Mumbai		Upto 3000	25 %	
			3001 - 6000	29 %	
			6001- 12000	33 %	
			12001-20000	36 %	
			20001-30000	38%	
>30000			40%		
B	MTNL FTTX services like Broadband, Voice Telephony, VAS etc., where access network will be installed and maintained by partner. Fiber will be made available at the gate of the society / building by MTNL on case to case basis, if business model is viable.	Gated Complex / Societies		Flat 25 % with no revenue reduction. No roll out obligation or requirement of minimum no. of subscribers but subject to viability.	

12. What are the geographical area, where I can provide internet service under FTTH revenue share policy?

The area of operation under this policy can be as small as any Gated Complex/Society to as large as Whole City (Delhi and/or Mumbai) as per details below-

- i) Gated Building Complex/Society
- ii) Area covered under One MTNL Telephone Exchange/Remote Switching Unit
- iii) City area covered under one MTNL Area GM. (Delhi city is divided in 7 Area GMs and Mumbai city in 9 Area GMs).
- iv) Whole City i.e. Delhi, Mumbai

The partners need to indicate choice of geographical area it intend to provide service, while submitting proposal to MTNL based upon its Business Interest and eligibility condition given in FTTH Revenue share policy.

13. What type and how many agreement(s), I have to sign with MTNL to become revenue share partner?

The partner needs to enter into one agreement with one field unit (i.e. either Delhi or Mumbai) for any number of Exchanges or GM Area within their jurisdiction. However if any partner opts to work both in Delhi as well as Mumbai, then they will have to enter into separate agreement with both Units. This Agreement is an arrangement with PARTNER for Ten (10) years of operations on non-exclusive basis from the date of signing the Agreement, which can be further extended on mutual agreement basis.

14. How much time it will take to get approval from MTNL to become revenue share partner in MTNL?

After submitting the proposal to Nodal Officer of MTNL, the complete process is expected to be finalized within a month time.
