

CSR Highlights of Indian Oil Corporation Limited

Committed to Creating a Better Tomorrow

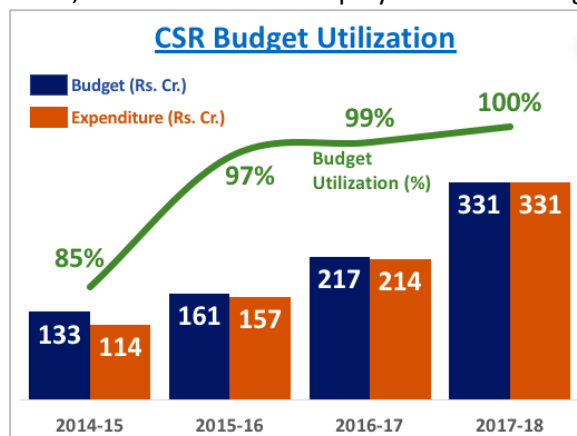

IndianOil touches a million lives across the nation everyday. Being the largest enterprise in the country's energy sector, IndianOil well understands its responsibility to the society. With myriad initiatives under Corporate Social Responsibility, ranging from healthcare to hygiene and sanitation, education to nutrition, infrastructure development to community welfare, women empowerment and many more, IndianOil leaves no stone unturned to reinforce its commitment to the nation.

CSR Highlights of IndianOil

IndianOil has been actively engaged in a gamut of social welfare/upliftment activities across the nation, in addition to reaching essential fuels viz. Kerosene, LPG, petrol, diesel, etc. to the nook and corner of the Country. IndianOil's key Corporate Social Responsibility (CSR) thrust areas include Safe drinking water and protection of water resources, Healthcare and sanitation, Education and employment-enhancing vocational skills, Empowerment of women and socially/economically backward groups, etc. The CSR projects of IndianOil are mostly undertaken in the vicinity of its establishments for improving the quality of life of the community, which invariably includes marginalized groups belonging to the under privileged section of the society, viz. SCs, STs, PHs, OBCs, etc. IndianOil has a long standing CSR legacy, which started much before the CSR legislation (Companies Act, 2013) came into force in 2014-15. For the year 2017-18, the entire budget allocation of Rs.331.05 crore was spent on CSR activities, thereby achieving 100% budget utilization.

The first academic session will commence from the academic session 2018-19.

Bolstering Hon'ble Prime Minister's "Skill India" dream

2. Skill Development Institute, Bhubaneswar, Odisha

Skill Development Institute, Bhubaneswar (SDI-B) was established on 9th May 2016 with an aim to provide opportunities for skilling and livelihood to the unemployed and underprivileged youth of Odisha and to provide skilled manpower to the industry. Initially, SDI-B started operation in 2 trades viz. Industrial Electrician & Welder. However, with increasing demand of skilled manpower, four new courses viz. Fitter, Instrumentation, Computer Data Application (only for girls) and Pipe Fitter were added in 2017-18. As on date, about 150 students are being skilled in 6 trade courses of 3 to 6 months duration each. Since inception, 528 students have successfully completed various courses and 80% of them have been successfully placed. It is planned to establish a permanent campus of SDI-B near Taraboi, Jatni, Odisha, which will be a mega-world-class model skill academy. Once functional, about 3,000 to 4,000 youth will be trained every year in 16 regular trades pertaining to the hydrocarbon sector and local

industries. Hon'ble President of India, laid the foundation stone of the main campus of SDI-B on 18th March 2018.

3. Kaushal Vikas Kendra, Barauni, Bihar

IndianOil's Kaushal Vikas Kendra, Barauni started functioning from March 2017 with an aim to provide skill training to the youth of Begusarai district, in which Barauni Refinery is located. At present, skill training is provided in 5 trades viz. Plumbing, Masonry, Welding, Fitter & Electrician. The candidates are mobilized by organizing awareness camps in villages near the Refinery. Priority is given to school drop outs and economically weaker sections of the society. Classes are organized in association with National Skill Development Corporation (NSDC) under National Skill Qualification Framework (NSQF). After completion of training, assessment is done through NSDC authorized agencies, after which NSDC certificates are issued to the successful candidates. During 2017-18, 448 candidates were enrolled under various trades, out of which 341 candidates have been certified.

4. Skill Training in Plastic Engineering trades in Assam, Odisha & West Bengal

Plastic industry centric skill training was provided to unemployed youth in Assam, Odisha & West Bengal through Central Institute of Plastics & Engineering Technology (CIPET) centres at Guwahati, Bhubaneswar and Haldia. Three to six month skill training was provided in 3 trades viz. Machine Operator, Injection Moulding & Plastic Processing.
